

RCAP Solutions In-Person Training:

Wastewater 101

A Community Guide to Vassalboro's System

Date: Wednesday, March 18th

Time: 12:00 PM to 1:00 PM

Location: Vassalboro Town Office

682 Main Street

Vassalboro, ME 04989

Training Description

Join us for a simple, easy-to-follow introduction to how wastewater systems work and what that means here in Vassalboro. We'll cover the basics of collection and treatment, then take a closer look at our own system—including pump stations, pipes, and the areas served by the district. This session is designed for community members and board members alike, no technical background needed.

What topics will be covered at the training?

- Why Wastewater Matters
- Wastewater Basics
- Collection System 101
- How Treatment Works
- Inside Vassalboro's System
- Keeping the System Healthy
